Dear members of the Arizona Corporation Commission:

I have heard that Arizona Public Service (APS) is seeking to increase rates.

I am writing to urge you to vote no to any rate increase or increase to our monthly fee.

Small business owners, such as me, often feel the brunt of increases. In turn, in order to make our ends meet, we often need to pass on costs to customers.

I do not see a need for APS to raise costs at this time. I think that instead APS should be helping businesses and residential customers save money and should do more to work with its customers to promote those opportunities.

Sincerely,

Arizona Corporation Commission
